Conditions for Exportation of PLANTS and Agricultural Produce

The permit is issued subject to the conditions stated below. The Plant Quarantine Authority of the BVI reserves the right to render this permit void at any time, when its judgement, such is deemed necessary.

- (1) Absolutely **NO SOIL IS PERMITTED INTO A FOREIGN TERRITORY FROM OUR TERRITORY.**
- (2) An Export Permit must be requested at least 48 hours before any consignment is exported.
- (3) The Plant / (s) or agricultural produce must show no visible sign of pests or diseases. For bushes to be consumed for teas, it must be dried.
- (4) The consignment to be sent must be brought for inspection before a Phyto-sanitary Certificate can be issued.
- (5) Plant /(s) or agricultural produce must be accompanied by a completed Phyto-sanitary Certificate (quantities and name of plants) issued by the Plant Quarantine Authority in the BVI. The materials must meet the requirement of the importing country.
- (6) Plants must be treated with an insecticide and fungicide where necessary and at the cost of the exporter. Agricultural produce must be washed, dried and packaged in approved exporting containers. Plants and agricultural produce must be certified by the Plant Quarantine Authority after inspection.
- (7) ALL REQUIRED CONDITIONS MUST BE MET BEFORE THE RELEVANT DOCUMENTS CAN BE PROVIDED. THIS WILL FACILITATE PLANT QUARANTINE CLEARANCE AT THE IMPORTING COUNTRY BUT IT DOES NOT GUARANTEE THAT THE CONSIGNMENT WILL BE ACCEPTED AT THE PORT OF ENTRY.
- (8) THE CROP AND PLANT QUARANTINE DIVISION MUST BE GIVEN AT LEAST 48 HOURS NOTICE OF CONFIRMED DEPARTURE, DATE, TIME, AIRLINE/VESSEL AND PORT OF

DEARTURE. THIS WILL FACILITATE UNNECESSARY DELAYS AND CONFISCATION OF
CONSIGNMENT.
