

## Request for Expressions of Interest Consultancy Services for Environmental Specialist

### Background:

The Virgin Islands Recovery and Development Agency (RDA) has been established as a specialist statutory body of the British Virgin Islands (BVI) Government. The purpose of the RDA is to provide the expertise and capability to deliver the Government's Recovery to Development Plan (RDP) following the destructive effects of Hurricane Irma in 2017. In this regard, the outcome of this technical assistance project will be to provide direct technical support on the mitigation of environmental risks for the project for removal and disposal of derelict boats.

The specific objectives of the project includes but not limited to:

(i) A review of the project design, options paper and plan and identification of the various environmental risks associated with the project; (ii) Drafting the guidance on environmental protection standards and their implementation etc.

Interested eligible Consultants may request a copy of the Terms of Reference by sending an e-mail to: [procurement@bvirecovery.com](mailto:procurement@bvirecovery.com)

The RDA now invites suitably qualified Consultants to indicate their interest in providing the services of an Environmental Specialist.

**Interested consultants must provide information to demonstrate their qualifications and experience to undertake this assignment. Individual consultants will be selected on the basis of their relevant experience, qualifications and capability to carry out the assignment.**
