

REQUEST FOR EXPRESSIONS OF INTEREST BVI WASTE MANAGEMENT FEASIBILITY AND CONCEPT DESIGN

Background:

The Recovery and Development Agency (RDA) in the British Virgin Islands was established to implement the Government's recovery plan following the devastating effects of Hurricane Irma in 2017.

Scope Summary

- Investigation of available options for the BVI to manage its waste responsibly.
- Development of options into detailed designs.
- Procurement of construction services that will deliver the desired outcome within budget.
- The management of the delivery of the plan to ensure that the project is delivered on time within cost and to the specified quality.

The RDA now invites consultants to submit expressions of interest for the above-mentioned services in the British Virgin Islands.
