NOTICE FROM THE INTERNATIONAL TAX AUTHORITY REGARDING THE BVI FARS PAYMENT UPDATE

The International Tax Authority has received numerous inquiries regarding making payments through the BVI Fars portal. We had initially aimed to go Live with the payment component in January 2024, but due to unforeseen circumstances, the deployment of the payment module has been delayed.

In the meantime, we kindly ask that you continue to fulfill your filing obligations as usual and disregard any payment notifications until further notice.

We are aware that some portal users have attempted to use the payment option, but please be advised that it is not yet enabled.

Once the payment component is Live, the ITA will provide a user guide that outlines how payment will be made.

We appreciate your patience and understanding during this time.
