Additional International Ferry Passenger Service Routes

17 February 2022 – The British Virgin Islands Ports Authority (BVIPA) would like to notify the public of the approval of additional international ferry passenger service routes. Along with the current service route between Charlotte Amalie, St. Thomas and Road Town, Tortola, the BVIPA has approved routes between Red Hook and Cruz Bay and the sister islands of Jost Van Dyke, Virgin Gorda and Anegada. The resumption of international ferry passenger service at the West End Ferry Terminal has also been approved. For information on the commencement dates and scheduling details for the new service routes, please contact the scheduled ferry operator.
