International Ferry Passenger Schedule Notification

01 February 2022 – The British Virgin Islands Ports Authority (BVIPA) would like to notify the public that effective immediately the Authority will no longer be publishing international ferry schedules. The BVIPA will only be making announcements on any additional international ferry passenger routes or new carriers. The BVIPA is responsible for the approval of ferry schedules and the issuing of ferry licences. All international ferry passenger schedules and related information can be located on the ferry operators' websites or social media pages.
