Closure of Port Facilities due to Tropical Storm Fiona

16 September 2022 – The British Virgin Islands Ports Authority (BVIPA) would like to notify the public of the following port facility closures occurring tomorrow, Saturday, 17th September 2022.

- Port Purcell
- Road Town Jetty
- West End
- Jost Van Dyke
- Virgin Gorda

Due to the weather system, the public is advised to collect any cargo they may have at Port Purcell today, 16 September 2022.

Following the passage of Tropical Storm Fiona and when the “All Clear” has been given, the BVIPA will issue an additional announcement on the re-opening of port facilities once assessments of each facility have been completed.

For more information, please contact 494-3435.
