FOR IMMEDIATE RELEASE

On 18<sup>th</sup> March 2020, the International Tax Authority (ITA) via a Press Release activated its Business Continuity Plan (BCP) considering the Global Pandemic. As the ITA is still obliged to comply with its International obligations, by the required deadlines; the deadlines for enrolment and filing with regards to FATCA and CRS were not adjusted (i.e. May 31<sup>st</sup> – FACTA/CRS Filings, April 1<sup>st</sup>/30<sup>th</sup> – Enrollments). Being cognizant of the changes occurring around the World the ITA is minded to adjust the deadlines where necessary. The ITA has been advised by the Internal Revenue Service (IRS) of the United States of America that FACTA filing deadlines have been extended. As such, all BVI FI's are advised that filings and enrollments has been extended.

**The ITA has decided to extend the enrolment deadline to 31<sup>st</sup> July 2020 for FATCA and to extend the filings deadline for FACTA to 31<sup>st</sup> August 2020.**

Although there is no indication of a general extension of filing and enrollment deadlines for CRS, **the ITA has decided to also extend the enrolment deadline for CRS to the 30<sup>th</sup> June 2020, and the CRS deadline for filing to 31<sup>st</sup> July 2020.**

The ITA reiterates that in accordance with the 18<sup>th</sup> March 2020 Press Release, adjustments can be made with respect to filing and enrolment deadlines, this remains true where an FI is in a position where they cannot meet the extended deadlines. FI's should indicate the name of Jurisdiction and the peculiar reason(s) affecting filings and why an extension is being sought so that those can be addressed on a case by case basis. FI's Primary Users must send an email to [info@bviita.vg](mailto:info@bviita.vg) seeking further extensions.
