

## ANIMAL IMPORTATION APPLICATION FORM

Pursuant to Section 7(1)(2) of the Animals (Importation and Diseases) Regulations, the application for importation of animals into the Virgin Islands must be completed (block letters or type) and returned with copies of all necessary documents. Failure to do so may delay the processing of the permit. **Once the applicant meets the conditions of entry, a minimum of 48 hours (2 working days) is required to process the import permit.**
