

Happy New Year

2021

Dear Colleagues,

Welcome to 2021 and thank God for a New Year!

In brief reflection, we are here today because you as Public Officers have made invaluable sacrifices and remained committed to the mission of consistently providing services regardless of the times that faced us.

Thank You...

...for your hard work, which sometimes seemed unnoticed.

...for contributing to our safety, infrastructure and our economy.

...for caring for our children and our elderly.

...for making sure that the machinery of Public Policy and Administration was uninterrupted.

Over the next twelve months and beyond, may we experience rich relationships and productive days.

May we live and work in unity, in concern for one another, our Public Service and our beloved Territory.

On behalf of the Department of Human Resources,
I extend bountiful wishes of wellness, peace and good success to you in 2021.

God Bless,

Director and the Department of Human Resources' Team
