

TENDER NOTICE

Request for Fencing and Construction of Oil Containment Structure at the Old Derelict Vehicle Storage Site, Sea Cow's Bay, Tortola

The Department of Waste Management is accepting quotations for the **Fencing and Construction of an Oil Containment Structure at the Old Derelict Vehicle Storage Site, Sea Cow's Bay, Tortola.**

The fencing consists of 220 feet of chain link wire and galvanized metal post. It will be 6 feet in height. A gate of sixteen feet wide would be left and a double gate is to be supplied and installed. The oil containment system would be made of a concrete slab, four inches thick, with a lip on all four sides that measures 6 inches wide by 8 inches high. Dimensions of the entire structure would be 30 by 40 feet.

Interested companies are asked to submit their bids in a sealed envelope with the name of the company and reference "**Works at Sea Cows Bay Site**" with the following Documents enclosed:

- **Quotation for work**
- **Certificate of good standing from Inland Revenue Department, Social Security Board and National Health Insurance.**
- **Valid Trade License 2023**
- **Proof of ownership of equipment or access to it (pictures, insurance, registration etc.)**
- **A brief outline of the company's experience**

All bids will be evaluated based on price, equipment, experience and reliability. Please note that **ALL** documents must be included for consideration. The deadline for submission of quotation is **24th November, 2023 at Noon.**

All quotations must be hand delivered to the **Department of Waste Management's Office: Second Floor, O'Neil Building (located in the Property Union Building, adjacent to Happy Lion Restaurant) Botanic Station, Tortola, Virgin Islands.**

For additional queries, contact the **Director of the Department of Waste Management** at **(284) 468-4934.**
