

VACANCY NOTICE

BRITISH VIRGIN ISLANDS PHYSICAL PLANNING AUTHORITY

The Government of the Virgin Islands is seeking qualified persons to fill the position of Members for the Physical Planning Authority.

PHYSICAL PLANNING AUTHORITY

The Physical Planning Authority was established under the Physical Act, 2004 and is under the portfolio of the Premier's Office. The Authority's role is to advance the purpose of the Act which includes facilitating progressive, orderly planning and regulation of the land while ensuring the protection of the environment.

AUTHORITY MEMBERS

In contributing to the governance and policy direction of the Physical Planning Authority, prospective candidates must bring special talent, skill, and knowledge. This may include experience, understanding of basic Authority procedures, business, and an enthusiasm for the work of the organisation, willingness to learn Authority skills, technical skills, and the ability to listen.

Persons applying to serve on the Authority should have the professional competencies and a balance of skills that match the mandate and responsibilities of the Physical Planning Authority.

THE IDEAL CANDIDATES SHOULD EMBODY THE FOLLOWING QUALITIES:

- Willingness to make a professional commitment to the Authority in carrying out its vision and mission and actively contribute to the discussion on related topics;
- Clearly understand the industry and the needs of its stakeholders;

c) Partner with the Chairperson to ensure that all of the Authority's resolutions are carried out and that actions to achieve the Authority's strategic goals are successfully executed;

d) Demonstrate a commitment to confidentiality, integrity, and good corporate governance;

e) Capable and willingness to attend scheduled Authority meetings and actively contribute to the Authority's deliberations;

f) Develop a good working relationship with other Authority members and contribute to the Authority's working relationship with its senior management;

g) Think strategically, manage complexity and act decisively; and

h) Demonstrate ability and willingness to work effectively and collaboratively in a group.

TRAINING /SKILL/EXPERIENCE REQUIREMENTS:

Authority members must possess the requisite knowledge, experience and /or training in the physical planning sectors:

a) land development matters;

b) environmental, coastal, and marine matters;

c) agriculture;

d) commerce and industry;

e) economic and financial matters;

f) Crown lands;

g) Housing; ;

h) infrastructure and utilities; and

i) other areas relevant to physical planning

QUALIFICATIONS: APPLICANTS MUST HAVE

i) a Bachelor's degree and seven to ten years' experience in planning, architecture, building designs, building engineering; and or

(ii) eight years minimum experience as a professional in an area of the physical planning sectors listed in Section D and have a demonstrable understanding of physical and land development.

Applicants must reside in the Virgin Islands and meet all the conditions of eligibility.

Applicants should complete the application form, email and/or hand deliver it with a cover letter, resume or curriculum vitae and submit to:
